GENERAL

CODE	DESCRIPTION
TUP20	Touch up bottle + pen 20ml

DESCRIPTION

The Gerko touch up pen features an extremely thin metal touch up tip to touch up and repair stone chip damage. In addition, this pen for car paint contains a screw cap with an integrated soft brush that allows you to touch up and remove larger damages.

PROPERTIES

- Suitable for simple and quick repairs of damaged paint layers due to, for example, stone chips
- Fine needle tip with well-sealable cap for small, minute damage
- Soft touch-up brush in sealable cap for larger repairs
- Transparent and soft plastic bottle for accurate dosing
- The included sealing needle prevents the lacquer in the metal nipple from drying out quickly
- Can be used both vertically and horizontally
- Equipped with a stainless steel ball
