

Wash n Shine

Description

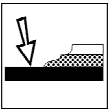

A vehicle shampoo and polish that quickly removes road film and grime leaving a revitalised paint finish.

Products

Product Type: Cleaner
Colour: Clear
Pot Life: N/A
Induction Time:
Density: Approx. 1.00 kg/L
Solubility in water: Soluble

Substrates

Wash n Shine is a vehicle shampoo and polish.

Dilution

Add approximately 20 parts water to 1 part Wash n Shine in a clean bucket.

Directions For Use

Hose vehicle down with water to loosen dirt.
Use a sponge or car wash brush to apply Wash n Shine.
Rinse off with fresh water, then chamois dry for best results.

**Note: Do not allow suds to dry on vehicle as this may cause streaking.
Wear gloves if you have sensitive Skin.**

Health & Safety

If swallowed, rinse out with fresh water and contact the Poison Centre or consult a doctor.
Wear rubber gloves, if you have sensitive skin.

If contact with solution is made, remove all contaminated clothing and wash body with soap and water.

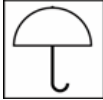

If inhaled and breathing becomes difficult, remove to fresh air and keep in rest position. If condition continues seek medical assistance.

If solution gets in eyes, rinse cautiously with water for several minutes. Continue rinsing if eye irritation persists.

For further information contact Resene Automotive and Light Industrial Ph 0800 108 008 or NZ National Poison Centre Ph 0800 Poison.
